-------** RESUME **-------

ANKIT ARUN
Room No. 228, Hall No. 2,
National Institute of Technology , Durgapur, Durgapur – 713209
Phone : +919635333100
Email : ankitarun.11@gmail.com

AREAS OF INTEREST: Algorithms and Programming,Artificial
Intelligence, Networks ,Cryptography, Operating System, Search Engine
Optimization, Web Designing.

EDUCATIONAL RECORD:
5th Semester, B.Tech NIT Durgapur   9.40 / 10.00

PROJECTS DONE :-

2010:-   Currently working on a research project on "Algorithm
Mechanism Design and Auction Theory" under the esteemed guidance of
Prof S. Mukhopadhyay from August, 2010. Qt based GUI development

2009 :- Developed a software on library management.

2009 :- Vocational Training in BSNL

RELEVANT COURSES (by April 2011) :

Theoretical CS and Mathematics: Introduction to Logic, Discrete
Structures, Data Structures, Analysis and Design of Algorithms, Theory
of Computation, Complex Analysis, Linear Algebra, Advanced Calculus,
Probability and Stochastic Processes, Differential Equations,
Operations Research, Formal Languages and Automata Theory.

Computer Architecture: Digital Electronics, Computer Architecture,
Digital Hardware Design, Microprocessor based System Design and
Compiler Design.

Systems and Communication: Communication Systems, System
Programming, Programming Languages (C/C++), Operating Systems
concepts, Computer Networks, Digital Signal Processing, VLSI System
Design and Database Management.

PROGRAMMING SKILLS:
• Programming languages: C/C++, SQL
• Web Development: HTML/DHTML, PHP.
• Tools: Microsoft Office, Adobe Photoshop,Macromedia , GIMP, LaTex, gnuplot

Dreamweaver, Matlab.
• Platform Expertise:Linux, and Windows 7/Vista/XP
